

**CALL FOR ADMISSION TO THE FIRST YEAR OF MASTER ACADEMIC STUDIES FOR THE
2025/2026 ACADEMIC YEAR – Third enrollment term**

The University of Niš, Faculty of Electronic Engineering in Niš (the Faculty, further in the text) admits 80 (eighty) self-financed students in the third enrollment term to the master academic studies (**one-year studies**) (in Serbian or English language) for the 2025/2026 academic year in accordance with the decision of the Senate of the University of Niš (number 816-01-1/25-056 of 24 February 2025), in the following accredited study programs:

Study program	Number of self-financed students
Electrical Power Engineering	28
Electronics and Microsystems	9
Computing and Informatics	5
Communications and Information Technologies	34
Control Systems	4
TOTAL	80

A person who has completed accredited undergraduate academic study programs in the country and abroad and has achieved at least 240 ECTS credits can be enrolled in master academic studies.

Candidates who have completed undergraduate academic studies at the Faculty in a module that, according to the educational outcomes, is not fully suitable for continuing their studies in master academic study programs implemented at the Faculty, as well as students from other faculties, are subject to an assessment of the compliance of the undergraduate study program by the Study Program Evaluation Commission, in accordance with the Regulations on Masters Academic Studies of the Faculty.

The ranking of candidates who have been approved for enrollment is based on their success (general average grade) in undergraduate academic studies and other criteria established by the Regulations on Enrollment of Students in Study Programs of the University of Niš ("Gazette of the University of Niš", number 1/19 and number 4/25) and the Regulations on Master's Academic Studies of the Faculty.

The application period for candidates is from **December 15 to December 16, 2025**.

For foreign students, the annual tuition fee is 2,000 euros for studies in Serbian, or 4,000 euros for studies in English.
